

NAIL TREATMENTS

Healthy nails are the finishing touch on hands and feet. Our manicures and pedicures are the ultimate in hand and foot care and are designed to soothe and nourish. To encourage optimal health and wellness, our nail services are only performed on the natural nail.

Spa Pedicure

\$75

The spa pedicure offers a hydrating and softening paraffin treatment and stimulating mud mask application in addition to the standard pedicure including toenail trim and file, cuticle care, callous removal, massage and polish. This treatment is enjoyed in one of our 5 state-of-the-art pedicure chairs with heat and vibration options.

Pedicure

\$60

The standard pedicure includes treatment of the toenails and feet including nail trim and file, cuticle care, callous removal, massage and polish. This treatment is enjoyed in one of our 5 state-of-the-art pedicure chairs with heat and vibration options.

Spa Manicure

\$50

The spa manicure offers an exfoliating scrub and softening paraffin treatment in addition to the standard manicure including fingernail trim and file, cuticle care, massage and polish.

Manicure

\$35

The standard manicure includes treatment of the fingernails and hands including nail trim and file, cuticle care, massage and polish.

Shellac Pedicure

\$75

The shellac pedicure includes the standard pedicure with nail trim and file, cuticle care, and massage with the addition of CND shellac polish. Shellac polish is a UV cured polish that delivers up to 2 weeks of high-performance and crystal shine with ZERO dry time and no nail damage.

Shellac Manicure

\$50

The shellac manicure includes the standard manicure with fingernail trim and file, cuticle care, and massage with the addition of CND shellac polish. Shellac polish is a UV cured polish that delivers up to 2 weeks of high-performance and crystal shine with ZERO dry time and no nail damage.

**UV protective gloves available upon request.*

Nail Repair (Each)

\$5

In the event of a broken nail at the time of your scheduled manicure, a reinforcing silk patch/glue may be applied to aid in the growth of the nail by preventing further breakage.
